

I Can Sleep Well Again

For some
years now, I
have not
been able to
sleep well
due to

spiritual
attacks and
other
challenges
that I have
been going

through.

I have been
living with
this
challenge of

sleepless
nights and
spiritual
attacks for
years; when
I went to

bed, the real
sleep never
came. About
two weeks
ago I
complained

to our pastor
my
challenges
and he
promised to
come with

the prayer
warriors of
the church to
my
apartment to
pray for me.

They came,
and since
after their
prayers,
things
changed

positively. I
have been
sleeping like
a baby ever
since then.
Glory be to

God!
Alleluyah!
