

Men & Women Fellowship:

Developing meaningful relationships built on Christ Jesus and becoming friends with other believers who will understand and encourage you in the Lord is the joy of a vibrant church body. That's what the **Men's and Women's Fellowship** of the **RICHFAITH CENTRE INT'L Hannover** is all about.

The Men's Fellowship provides an opportunity for men to be challenged, motivated and empowered by other men to live victorious, overcoming, purposeful, holy and righteous lives in Christ Jesus. Similarly, the Women's Fellowship creates an atmosphere where women can grow in relationship with other women in the Lord as they experience the joy of spiritual growth in Christ. God bless you as you become a part of this family.
